**CHAPTER 21****PLACARDS AND MARKINGS**21-10 Placards and Markings

Refer to R44 Illustrated Parts Catalog Chapter 11 for placard and marking locations.

**A. Removal**

To remove previously installed decals, start at corners and slowly peel off decal by hand or using a plastic wedge. Avoid damaging or removing paint or primer from surfaces. Remove decal entirely.

**B. Installation**

Verify surfaces are clean and dry before attaching decals. Use a clean cloth wet with acetone or mild soapy water to clean surfaces, but use caution when using acetone near silk-screened lettering on console and circuit breaker panel. Acetone can smudge or remove silk-screened letters. Attach decal and rub decal surface with finger, applying slight pressure.
